# 24/7 Helpline

You can call the helpline if you're experiencing **urgent distress**, or need **immediate emotional or psychological support**.

With the 24/7 helpline, you can get in-the-moment support from Intellect's network of mental health professionals.

## Where can I access this?

You may access it either via "Connect to SOS support" in the Profile tab, or "SOS support" in the Care tab. Select Intellect's 24/7 helpline and the country you're in to call the toll-free number.

## What happens when I call the helpline?

This helpline is a toll-free number managed by Intellect's in-house Crisis Counsellors. Calls will be picked up within 60 seconds.

Intellect responders will gather important initial information from you and are professionally trained to provide in-the-moment counselling. They will then refer you to the appropriate resources depending on your individual needs.

# Dependents Access

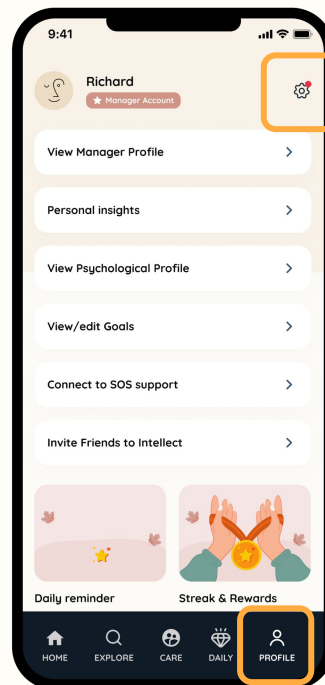

You can invite your Dependents to have full premium access to Intellect to enjoy the same services you have. You can send your Dependents an invite directly through your app, which they can then accept and create their own account.

## Who is an eligible dependent?

An eligible dependent is the spouse and child(ren) of an eligible employee, and must permanently reside at the same address as the employee.

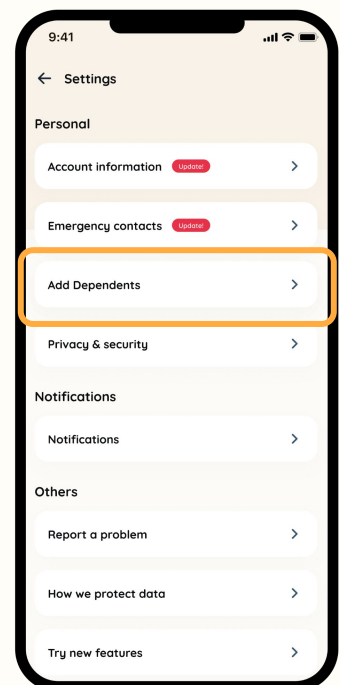

1

Tap on Settings via the Profile tab

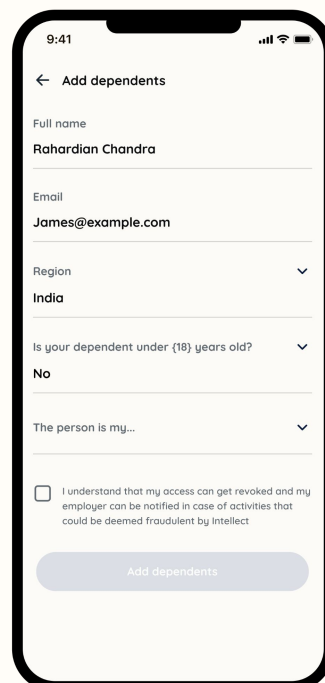

2

Tap Add Dependents

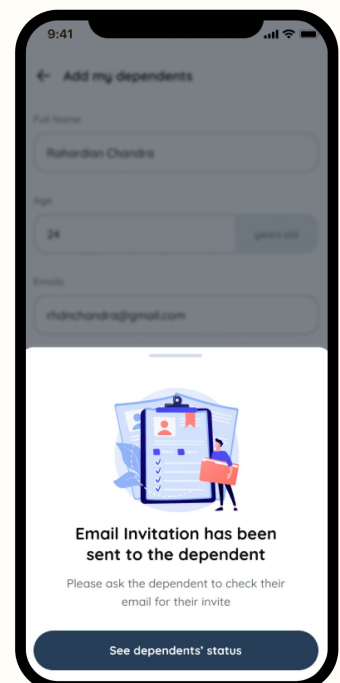

3

Fill in the information requested, then tap Add dependents

4

An email invitation will be sent to the dependent using the email address you provided

5

Request for your dependent to follow the instructions in the email to verify their account and sign up for Intellect. They will need to download Intellect on their own device
